

Om Enterprises

COMPANY PROFILE

PRINTING & PACKAGING

ISO 9001:2015

ABOUT US

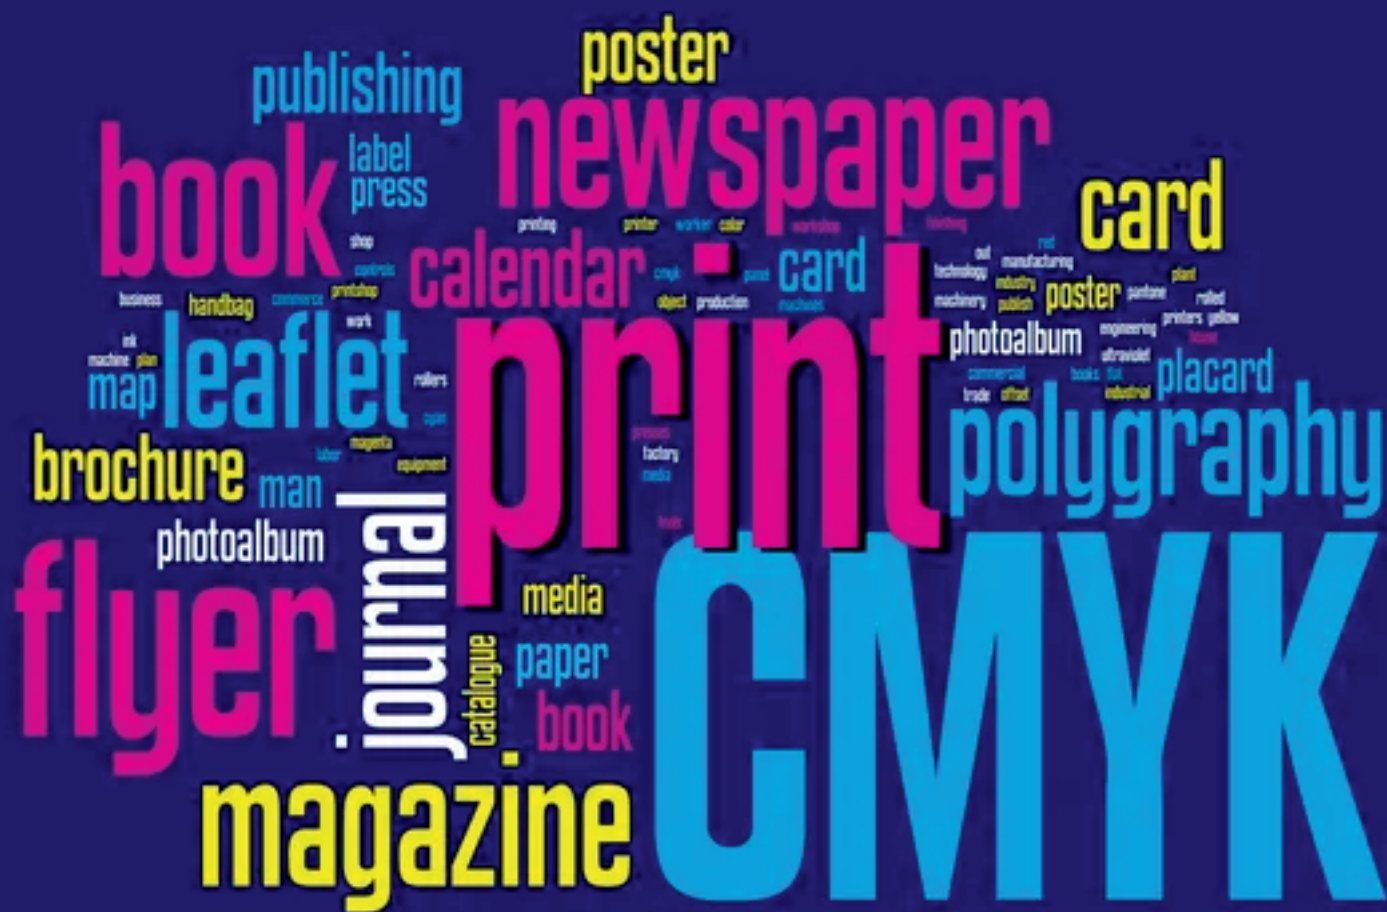

Established in the year 2012, We Om Enterprises Print & Pack are engaged in offering multicolor printing and packaging including various booklets, magazines, catalogs & manuals, posters, calendar, labels & tags and mono cartons, corrugated boxes. Since our inception, it has been our aim to redefine the standards of quality by stringently adhering to the set trends and norms of quality. We are well equipped to meet the varied demands of our clients and have specialized in - house facilities, which enable us to offer unique printing and packaging solutions. Our skilled & qualified personnel help us in providing clients with appropriate idea & techniques that works best for them. We emphasize mainly on key fields like perfect quality, prompt service, low pricing & reliability. We acquire a wide client base spread across in India. Customers' satisfaction being our main motto, we treat all our clients uniformly and individually.

We have employed well trained and expert team of Graphic designers, engineers, technicians and other professionals to effectively provide a wide range of printing services. Our printing services are designed as per the industries specific standards. We offer animated as well as original image graphics on the paper and paper made items. Our all paper printing services are rendered at cost effective prices. We always use quality inks to produce impressive graphics or text prints on the paper products.
